## How Far is Near: Nuit Blanche at Hart House

The Justina M. Barnicke Gallery is proud to present a series of works that share an interest in testing boundaries between viewer and performer. These installations highlight the ways artists in the 60s and 70s exposed/presented their body/self to draw the viewer into new and unfamiliar forms of public/private relationships.

Also, don't forget to stop by our courtyard and visit "Farmers Market 2050" by Mammalian Diving Reflex with Dean Baldwin, Hala Chaoui, Kubo Dzamba, Nathan Isberg, and a scientific interpretation by the teens of Parkdale.
