NUIT BLANCHE 2012: LIVE

BY TORONTOIST

That's a wrap everyone. Until next year!

TIME: 7:03 AM

In the University of Toronto Hart House courtyard, a piano is played via sound recordings transmitting via wires stretching from a third floor balcony. Artist Gordon Monahan based the recordings, which turn the apparatus into a “deconstructed loudspeaker”, on 25 different recordings by Frederic Chopin.

FROM: Steve Fisher

LOCATION: Zone B, *The Piano*

TIME: 5:53 AM
