Mark Lewis: Cold Morning at the 53rd Biennale di Venezia

[Kunst-Works Berlin](#)

Berlin, Germany

Tuesday 07-Apr-2009

Time: 19:00 - 21:00

On the occasion of the 53rd International Art Exhibition – La Biennale di Venezia, KW Institute for Contemporary Art and the Embassy of Canada in Berlin present the Canadian artist Mark Lewis and offer a first impression of his project for the Canada Pavilion. The artist talk will include a screening of recent works by Mark Lewis and a discussion between the artist and the commissioner of the Canada Pavilion, Barbara Fischer, on the Biennale project. Mark Lewis' project for the Canada Pavilion in Venice is a short, silent film that uses the classic film technique of rear projection combined with state of the art digital technology.
