## Images Festival hands out awards in Toronto

**Toronto.** Toronto's Images Festival of media arts, which wrapped up over the weekend, awarded its Images Prize for best Canadian media artwork to David Hoffos of Lethbridge, Alta., for *Scenes from the House Dream: Bachelor's Bluff*. Other highlights included the National Film Board of Canada's award for best emerging Canadian film and video-maker to Toronto's Andrea Cooper for *Strange Things and Oh, Darlin . . .*,

The award for the best international film screened at the festival went to Dutch artist Gerard Holthuis's *Careless Reef #1: Preface*. *Guy Dixon*
