Museum Access

Accessibility we have in place:

- Large print brochures available at the desk
- Service animals are welcome
- Wall text starts at 50 inches from the floor
- Pathways are larger than 65 inches
- Display cases mounted on wall 37 inches from the floor, lowest point 33 inches from the floor

Not accessible:

- **The doors to the primary galleries are not accessible. Gallery attendants are available to assist with opening doors, however, Art Museum understands that this infringes upon the dignity and independence of a guest with accessible needs and are working towards improving accessibility in the University of Toronto Art Centre.**
